

Girlguiding Shelford District

Girlguiding continues to thrive in Great Shelford. We have Rainbow, Brownie, Guide and Ranger units which cater for about 60 girls aged 5 to 18 years. As for everyone, the last couple of years have been challenging but we've had lots of new young members and several new volunteers.

Many of the girls were able to meet with their units online during the lockdowns. None of us could have imagined what fun we could have on Zoom. We found an amazing variety of enjoyable ways to keep the girls engaged and busy during online meetings. We've completed Girlguiding programme activities, earned badges, cooked, played games, and held virtual parties and sleepovers!

In-person meetings now come with gallons of sanitiser and lots of cleaning but everyone's expert at hand sanitising and enjoying being back together. All units are looking forward to being able to get out and about more as the weather improves. And—as you'd expect—we'd really love to have more volunteers to help us give the girls a space of their own to have fun, make friends and learn new skills.
